1.	Comment. The establishment of an advanced supply-issuing point in
	Neubukow is reported for the first time. It is believed that his depot will
	serve the units at Justrow AAA firing range. The motor vehicles belong to the 50th Motor Trans Regt of the GOFG.
	your node trains hege of one dorn.

Comment. The organization of the Soviet trade sections as well as their functions are known. The unit in Fuerstenberg is known as 5th Supply Unit.

25X1

Comment. A transfer to the Finowfurt sawaill is possible. The sawaill is provided with railroad sidings and quarters the clothing repot of the Fourth Gds Mecz Army. On the map indicating troop quarters and supply installations in the Eberswalde-Finow-Finowfurt area installation No 10 must be cancelled in Eberswalde and entered with installation No 13 in Finowfurt. It could not yet be determined whether branch depots No 10a, b, and c have also been transferred to Finoufurt.

4.	Comment. The volume of de	liveries was on about	the level of th	e preceding
